

UPGRADE FROM NBX TO VCX CONNECT STANDARD ON MSR

Save over \$2500 on 3Com VCX Connect MIM Solution Bundles and 50% on Additional Licenses

Leveraging the MSR's all-in-one box business platform, 3Com is pleased to introduce the 3Com MSR 30 Series Router platforms.

Deliver customers complete network flexibility, reduced cost of ownership, superior return on investment, and simplified deployment and management with a comprehensive suite of WAN, LAN, security and voice interfaces and services. Featuring the recently released VCX® 9.0 software, the VCX IP Telephony MIM interfaces can be deployed in a single office or as part of a wide network of globally, distributed sites to provide scalable, resilient telephony that can support instant unified communications amongst the most varied, distributed collaborative work environments.

Save over \$2500 when purchasing these discounted VCX Connect MIM Solution Bundles and get 50% off list price of additional licenses*:

3COM SKU	BUNDLE DESCRIPTION
