# The Summer School Savings Event

## *See How Rebates of 10% Can Add To Your Bottom Line*

From March 1, 2010 through August 31, 2010, get a 10% rebate on a variety of popular 3Com products.

**3Com® Switching systems** combine industry-leading performance, simplicity and value, making high-speed connectivity practical and affordable for schools.

**3Com's full line of Routers** are easy to configure with the command line interface that enables quick deployment in the largest of school districts.

**3Com's Wireless** offerings include the new H3C® WLAN portfolio that provides a Unified Network Access (UNA) layer to lower TCO, enhance performance, improve security and policy control, as well as support robust application delivery from network core to edge.

**3Com Network Management** offerings include the 3Com IMC (Intelligent Management Center) Enterprise Edition, a fully integrated, unified resource management solution that lets you manage and monitor any number of heterogeneous devices from a single platform.

Take advantage of the Summer School Program to build your sales and profits. Get a 10% mail-in rebate on the current U.S. list price on a variety of popular 3Com products.
